#### Overview:

Mr. Kloschinsky spoke with members of CPS. Mr. Kloschinsky said that he wanted to make a complaint about someone stealing his dogs. Mr. Kloschinsky went on to say that he had caught the person who was trying to steal his dogs and that they were outside.
6. CPS members went outside of the Police Station and saw a white sport utility vehicle with peace officer markings on it (the vehicle). In the back of the vehicle a uniformed male was found handcuffed on his side. The male did not show signs of life. Attempts to restore life to the male were unsuccessful. The male was transported to the Rockyview Hospital in Calgary where he was pronounced dead at 11:26 am. The male was identified with photo identification as Rodney Lazenby a by-law officer.
